1	-	-	<p>Since, the project is a Design and Build Contract, we needs more time to prepare the Design and Bidding Document. And also, our Designer has to have site visits and survey in many times for the better calculation and evaluation. Due to the New Year of 2023 and the long Chinese New Year holiday in China, it is very difficult to prepare all the documents within the stipulated time schedule. In order to make a professional preparation of our design and bidding documents, we hereby sincerely request for a 30 Days' time extension of the last submission date.</p> <p>We, therefore, request you to kindly extend the bid submission date at least 30 days from the existing last bid submission date.</p>	Please see the Sl.
